AT BRISTOL GLEN OUR VALUES
make the difference.

Welcome

TO THE TICE PAVILION AT BRISTOL GLEN

The United Methodist Homes of New Jersey is committed to providing an exceptional living experience for senior men and women. Bristol Glen, our premier lifestyle community, offers residential and assisted living in the Tice Pavilion, memory support in the Ziegler Grove, skilled nursing care in the Harris Center, as well as independent living in the Metcalf Woods. Bristol Glen is one of the few communities in the area offering five styles of living for every care need.

Our goal is to provide an environment that offers a vibrant lifestyle with social, cultural and spiritual activities while providing a caring sanctuary for all who make their home at Bristol Glen, including those who may require personal or medical assistance at the time of their arrival or during their residency.

We provide options that are personally rewarding, physically and mentally supportive and spiritually and emotionally enriching.

NO MATTER WHAT YOU NEED, WHEN YOU NEED IT,
we're there to help.

Maybe it's just some help with meals...or assistance getting dressed in the morning. Maybe it's a companion to provide steadiness for a walk. Or maybe help getting to dinner or finding your glasses or your favorite sweater.

Bristol Glen provides a complete continuum of care from residential living through assisted living+, to memory support or nursing care. No matter what it is you need, we're there with a friendly smile, a helping hand, understanding and compassion.

We know that living how you choose means a lot to you...even though you may need some assistance.

Our Assisted living is apartment style living with personal and health care services tailored to your needs. The philosophy of assisted living allows residents to enjoy freedom and independence and use services as necessary, resulting in "aging in place".

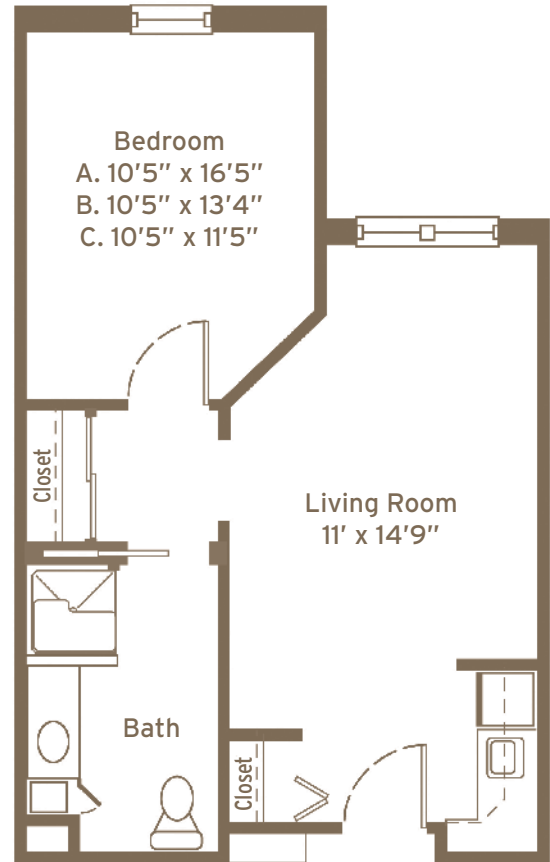

Services include medication assistance, health monitoring and monitoring for activities of daily living and personal care. If and when additional services are necessary, Bristol Glen offers assisted living+ which allows the resident to remain in an apartment and receive more intense monitoring and more frequent services of a licensed nurse on a 24-hour a day basis, if necessary.

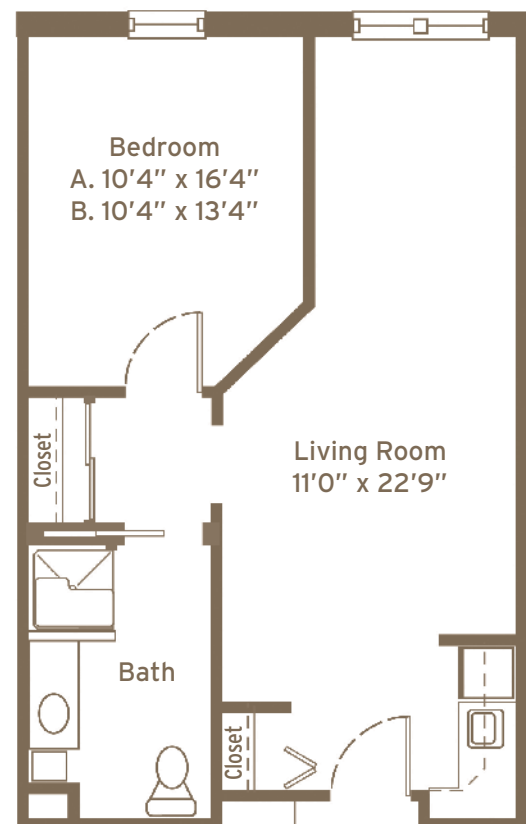

Assisted Living One Bedroom Apartments

Assisted Living is apartment style living with personal and health care services tailored to your needs. Assistance with medication management and activities of daily living can be provided in an apartment, allowing you to maintain your independence while receiving the care you require.

Memory Support Residence

The philosophy of the Memory Support Residence is to create an atmosphere that maintains an individual's personal strength and capabilities even as they change. Daily familiar routines, along with scheduled activities will incorporate a holistic approach focusing on each domain - physical, emotional, social, vocational, spiritual and cognitive. Our residence is designed in a secure, neighbor style setting with a lovely outdoor courtyard area which is both secure and enriching.
